Global Education for Global Career

About Paris American International University, France

Paris American International University is a French-authorized learning university that allows students to earn diplomas from France. Delivering world-class education, PAI University offers an extensive global experience that helps students build a new perspective on life. This introduces the core principles for innovation, personal development, and providing tools that aid career advancement. PAI University provides students with resources and courses that help them understand global trends and equips them for the global market.

The courses are career-oriented with updated information about the latest technology and business practices. Our courses, content, and training materials follow the latest education trends. We allow students to enjoy a dual form of learning – French and American education format. We believe everyone has the right to good education. With our education format it's easy to get a European professional degree at PAI University.

Recognition

French Ministry of Education Registry

The Rector of the Paris Academy, Rector of the Ile-de-France, the educational authority for Paris has approved PAI University as a higher education establishment. The Rector of the Paris Academy is under the jurisdiction of the Ministry of National Education and Youth.

Qualiopi

PAI University is certified Qualiopi based on the French standards.

Qualiopi is a French certification that certifies the quality of the educational services provided (professional training, skills assessments, validation of prior experience, learning, etc.) under a single frame of reference.

Ph.D. Course Guide

Why Study Online

- If you are often on the-go, travel frequently or face constantly changing work commitments you may find the rigors of class work impossible to manage.
- You can travel freely, relocate or live in remote areas without interrupting your Ph.D. studies.
- The online learning format suits students' ability to juggle the competing demands of work, family and study. Ultimately, this depends on the types of person you are, your lifestyle and how you prefer to learn.
- Our online education model provides you with true flexibility in your learning options. Not only is the Online Ph.D. truly portable, it also provides you with greater flexibility than traditional Ph.D. programs.

How Online Learning Works

The PAIU online Ph.D. is conducted exclusively via online lecturing. In conjunction with industry experts and academics, our team of instructors ensures that course contents ensure outstanding learning outcomes.

- You receive a comprehensive study guide for each unit which contains full course work, workplace activities, required reading and references to further resources for each topic.
- Your assigned Professor is responsible for setting and making the assignments and exams, setting and making the assignments and exams, providing commentary on the topics throughout the study period and academic guidance for any questions and issues you have during your study.
